Item 2310

Return of Shipment Out for Delivery

Section 01

Effective 3-14-2022

When a shipment is Out for Delivery and the Delivery cannot be accomplished through no fault of the Carrier, and all options presented by Styline Logistics have been considered by the Shipper and Consignee with no resolution to accomplish the delivery, then no further efforts will be made to effect delivery and the shipment will be transported back to the Shipper with additional charges applied per the charges outlined in **Item 2208**.

This freight charge will be added to the original Outbound charges for the original shipment as tendered to Styline Logistics.
