

STYH 100 Rules Tariff

Item 2400

Marking or Labeling Freight

Section 01

Effective 3-14-2022

Each package, or loose piece of freight, must be labeled with the Shipper Name and Consignee name, location, and address.

Packages containing fragile articles or glass must be marked with '**FRAGILE - HANDLE WITH CARE**' or with similar remarks.

Labels must be securely attached with glue or an equally good adhesive.

When freight is billed to a consolidation point, the shipment consolidation point must be shown along with the final destination beyond the consolidation point.

When the Shipper/Consignee requests this tariff to change, alter, or add marks, tags, labels, or stencils on any package or piece of freight, an additional charge of \$3.00 per piece will apply in addition to a \$75 administration fee.
