

STYH 100 Rules Tariff

Item 2410

Weight, Cube, Class or Item Invoice Amount Verification

Section 01

Effective 3-14-2022

1. When Shipper/Consignee requests any trailer to be weighed and a public scale is requested by the Shipper or Consignee, the charges assessed to the Carrier for the use of such scale will be added to all other charges in addition to:

\$3.50 per mile round trip to the scales from location of equipment and back, with an absolute minimum mileage fee of \$50.

2. Carrier may verify and correct the Weights, Cube, Class, and/or Item Invoice amounts shown on Bills of Lading after acceptance of the order as determined by Carrier's personnel. These adjustments will be reviewed and approved by Carrier's management. Charges specified under **Item 2220** will apply.

In all cases, if the Bill of Lading information is found to be incorrect, Carrier will adjust the freight invoice based on the corrected information with documentation available at the Payor's request.

Note A: Any additional charges from Styline Logistics assessed during delivery will be the responsibility of payor and be included in the total freight charges.
